## MEETING MINUTES

### WATERMAN

NOT PRESENT

### SILVERDALE

Installed speed bumps to stop cars drifting.

New Office Administrator.

Nov 30 Christmas Tree lighting, tractor rides and bonfire.

Two grants expire at the end of this year. Permit won't be available for two years. Can't convert to planning grant so have to pay back money from RCO.

Hope to get \$120K recovered in the future.

\$900K in mitigation.

### ILLAHEE

NOT PRESENT

### BROWNSVILLE

Navy seals doing work here with submersibles.

No Navy tug here.

40' boat sank on breakwater.

\$330K wave attenuator from PNP. (Versus Transpac).

Work falls under nationwide. Don't change square footage and improve light penetration. Brennan is POC at ACOE.

DNR tying up and boat sank across from them. Christian (diver) 13 hrs to (and \$3200) to raise boat.

DOE and USCG argue about booming it.

HVAC costs \$73K for 9 wall units and 3 pumps.

Santa at Lighthouse 2<sup>nd</sup> weekend of December, Photos with Santa

Have SAO audit this year.

### MANCHESTER

Piling snapped off at sand line. Grabbed with backhoe.

Need mitigation and replace \$18K for one piling. Must replace two additional pilings for mitigation.

Only \$5K more to add two pilings by Thompson Pile Driving.

Person didn't pay parking, Had to tow his truck and boat at \$1K.

Thompson Pile Driving: Paul Fritz owned it. Maybe son runs it now? Won't bid on project now because too small.

### KEYPORT

Raise moorage rates from \$5 to \$5.50 PLF.

Offering winter moorage Nov 1- Mar 30.

15 Slips.

## MEETING MINUTES

### KINGSTON

Waiting for permits to be issued for restroom.

Bids were \$645K-\$1.1M for 700SF restroom. Rejected all bids. Looking at self-performing the work of design build.

Holiday lights 1<sup>st</sup> Saturday in September.

### POULSBO

Daryl Trask new Harbormaster, Prothman recruited him.

Taking reservations on a first come first serve basis on breakwater – no reservations. Weather dependent so will not book for seasonal moorage or reserve the dock because of potential risks to boats.

Trying to get the fuel dock back online. Costing them a lot of money in lost revenue. Open in 3 weeks.

### ALLYN

NOT PRESENT

### BREMERTON

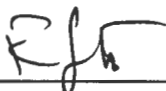

NOT PRESENT – James Weaver at PCC Conference in Victoria.

These minutes are provided to document the project record and represent my understanding of the items discussed. Please provide comments, corrections, or revisions at the next meeting. If no comments are received, the minutes will stand as published.
